WARRANTY PROCEDURES

AUTHORIZATION PROCEDURES

Please take a moment to review the following Warranty Policies and Procedures of Aqua-Hot Heating Systems Incorporated as this document will supercede any and all previous Warranty related documentation. If you have any questions call the Aqua-Hot Heating Systems Warranty Department at 1-800-685-4298.

Aqua-Hot Heating Systems will reimburse qualified and approved warranty repairs at your published and posted (customer) shop labor rate. This rate must be submitted to Aqua-Hot Heating System's Warranty Department for approval prior to warranty claim submission. Any change must be requested in writing and is subject to approval. Aqua-Hot Heating Systems will pay **reasonable time for repairs** as outlined in the flat rate manual, therefore it is very important to follow the correct procedures outlined below.

All defective parts must be returned to Aqua-Hot Heating Systems for warranty consideration. To obtain a Return Goods Authorization number (RGA#) please call our Technical Support staff at 1-800-685-4298.

The recommended procedure is as follows:

1. When a motorhome arrives at your facility for repairs, first review the customer complaints concerning the heating system.
2. Before performing service, ensure the heating system is still **under warranty**. All repairs made to the heating system out of warranty **will not** be considered without prior approval from the Aqua-Hot Heating Systems Technical Support representative. It is the repairing dealer's responsibility to ensure that the heating system is covered under Aqua-Hot Heating System's warranty. **Aqua-Hot Heating Systems is not responsible for incidental or consequential damages.**
3. Due to the complexity of the heating system it is recommended you contact the Aqua-Hot Heating Systems Technical Support Department at 1-800-685-4298 for authorization after conferring with the customer about their particular problem. This action will ensure proper reimbursement toward the warranty claim process.

AQUA-HOT FLAT RATE GUIDE

This guide has been created to establish flat rate allowances for repairs made under warranty on products manufactured by Aqua-Hot Heating Systems Inc. It is intended to be used by **qualified, authorized** Aqua-Hot Heating Systems Inc. service centers.

This guide is intended to set guidelines for reimbursements on warranty claims as well as estimating and charging for retail service work done on products manufactured by Aqua-Hot Heating Systems Inc.

All times are subject to change at the discretion of Aqua-Hot Heating Systems Inc.

Technical help is available to aid in diagnosing and troubleshooting and will be of great assistance in optimizing the repair times in order to stay within the allotted flat rate schedule.

While most repair costs will be reimbursed using flat rate times, we realize flat rate times may sometimes need adjustment. The Warranty Administrator will make authorization for such adjustments on a case by case basis. Proper documentation must accompany any warranty claim form. For payment to be made on adjusted flat rate, copy of the back of the work order including time tickets is required. All time tickets must be punched by a time clock. No written tickets will be accepted. Normal scheduled maintenance repairs are **not covered** under warranty (i.e., nozzle and filter replacements).

All flat rate times are based on the proper installation of the Aqua-Hot Heating System as outlined in the Installation Manual.

AQUA-HOT™ (2) YEAR LIMITED WARRANTY

Aqua-Hot Heating Systems Inc. warrants the AQUA-HOT heater to the original owner to be free from defects in material and workmanship under normal conditions of designed usage and service as outlined in the installation and operator manuals for a period of two (2) years covering both parts and labor beginning on the date of purchase of the vehicle by the original owner. Replacement parts are covered for the remainder of the heating systems warranty. All purchased replacement parts will carry a six months (180) days warranty.

This warranty does not apply to scheduled maintenance items such as fuel filters and fuel nozzles, damage or failure of the AQUA-HOT heater or the vehicle into which it was installed due to improper installation, assembly, maintenance, abuse, neglect, accident, or the use of parts not supplied by Aqua-Hot Heating Systems Inc. Aqua-Hot Heating Systems is not responsible for incidental or consequential damages.

The intent of this warranty is to protect the end user of the heating system from such defects, which might have occurred in the manufacture of the product. The warranty is not intended to protect the end user from problems, which are outside the ability of Aqua-Hot Heating Systems control.

To obtain warranty repair authorization or information please contact the Tech Support Dept. (800)-685-4298 (7am to 4pm) Mountain Time.
