

An AIRXCEL Brand

Position: Junior Sales Representative
Reports to: National Sales Manager

Company Overview

For more than 34 years, Aqua-Hot Heating Systems, LLC. has been one of the most recognized and trusted brands in the recreational vehicle (RV) industry. We offer premium products that provide RV owners with exceptional comfort while saving fuel, reducing emissions, and adding real value. Owners of high-end RVs demand Aqua-Hot hydronic heating systems. Original equipment manufacturers in the US and around the world choose Aqua-Hot products to meet this demand. Aqua-Hot supplies more than 40 original equipment manufacturers.

Job Description

Seeking a qualified junior sales representative to help Aqua Hot sell the products that our customers have grown to love and rely on. The sales representative will have a strong understanding of the sales process, excelling at generating leads, building relationships, and closing deals. The ideal candidate will be a quick learner with strong communication skills, and the ability to showcase our offerings in a compelling way. This sales role will play a fundamental role in achieving our ambitious customer acquisition and revenue growth objectives. You must be comfortable making and taking calls, working with channel partners, generating interest, qualifying prospects, and closing sales. Often tasked with giving presentations, attending networking events, and attending trade shows, it essential that our sales rep be personable and professional.

Essential Duties and Responsibilities

- Identify prospective customers, lead generation and conversion
- Competent knowledge of the Aqua Hot product
- Emphasize the features of products and highlight them to solve customers' challenges
- Prepare quotes and sales agreements
- Collaborate with colleagues
- Managing and selling to inside
- Identifying growth areas within existing accounts
- Maximize the sales performance by establishing strong relationships and gaining insight to the needs of the customer
- Perform incisive and insightful market and competitive research
- Maintaining, cultivating, and developing positive business partner relationships within all levels of assigned customers' organizations
- Maintaining and expanding existing relationships between Aqua-Hot and the customer
- Supporting negotiations of various supplier agreements
- Effectively and professionally presenting sales information to both customers and company management team
- Travelling (up to 40% at times) to customer locations, trade shows and events
- Consistently executing customer calls, maintaining high visibility, and to keeping a pulse on market conditions
- Maintaining an appropriate opportunity pipeline to meet revenue growth goals
